Jesus said this:

'Amazing things will happen to the sun, moon and stars. On earth the nations will be afraid because of the roar and fury of the sea. They will not know what to do. People will be so afraid they will faint. They will wonder what is happening to the whole world. Everything in the sky will be changed.

Then people will see the Son of Man coming in a cloud with power and great glory.

When these things begin to happen don't fear. Look up and hold your heads high because the time when your God will free you is near!'

Jesus.

WHEN?

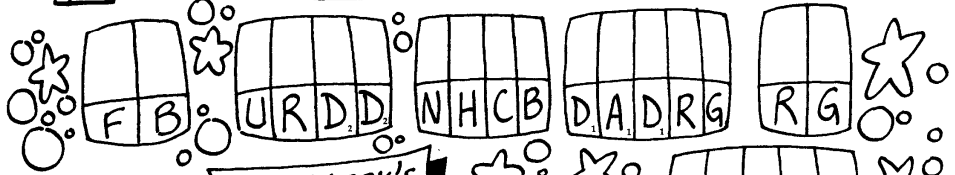

We look back to when he was born in Bethlehem and forward to when he will come again.

In glory. Everyone will see it at once. Many will be terrified. But Jesus tells us not to be frightened - it will be a time of great excitement and celebration of all that is good.
